## Interfaith Mission Service

Saturday, September 11th, 2010

Hosted by: St. Mark's Lutheran Church

Join us for a multicultural, multigenerational community service learning event!

Volunteer to support any one of a variety of community organizations and projects all to be completed in one exciting day!

The physical work takes an afternoon, but the dialogue across faiths, races and backgrounds remains in the community, strengthening us all.

Projects for all ages and abilities!
