

Huntsville Islamic Center and St. Thomas Youth collaborate on educational series and outreach to refugees.

Eager to learn more about one another's faiths, High School Youth from HIC and St. Thomas will begin meeting to discuss the foundations of their religion's beliefs and practices. The first meeting will be held at St. Thomas Episcopal Church on Bailey Cove Road, May 11th at 5pm. If you are interested in learning more about this, please contact Deborah Abu-Alrub at daa@ccihsv.com or Kathleen Lynch at youth@stthomashuntsville.org.

The groups will also join forces to provide Mary and Joseph packs for refugee families in Chattanooga. Collections have already begun. The packs provide families arriving in this country with furnishings in their new homes in America. The groups plan a visit to meet the families and make a meal for them sometime this summer.
